BOARD OF SELECTMEN**Northfield, New Hampshire**

Dear Citizens of Northfield:

We are happy to report that the property acquisitions necessary to construct a new bridge on Sargent Street have been completed and the project will go out to bid in 1984. A temporary bridge has been installed on Cross Mill Road which has alleviated some of the concerns of residents in that area of Town.

The amount of delinquent taxes as of December 31, 1983 has declined over the amount outstanding as of December 31, 1982 by \$5,636.55, leaving an unpaid balance of \$579,569.03. We hope that those residents who have not paid their property taxes will make payments as they can to reduce this burden on Town finances.

We are in the process of trying to solve our refuse disposal problems by attending meetings in Concord and Franklin for their proposed regional incineration projects.

Construction of our animal holding facility is almost complete, thanks to many hours of volunteer labor. An Open House is planned in the spring so the residents can view this facility.

We have been seeking federal funding for housing rehabilitation and downtown revitalization in a joint effort with the Town of Tilton. We are hopeful that our efforts will be successful in 1984.

The Board of Selectmen wishes to express its sincere appreciation to all elected officials, town employees, committee members, volunteers and residents who have helped to make our Town a town to be proud of.

AUDITOR'S REPORT
Transmittal and Commentary Letter

March 11, 1983

To the Members of
the Board of Selectmen
Town of Northfield
Northfield, New Hampshire

We have examined the combined financial statements and the combining individual fund financial statements of the Town of Northfield, New Hampshire as of and for the year ended December 31, 1982, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset Group of Accounts which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, the combined financial statements and the combining and individual fund financial statements referred to above present fairly the financial position of the Town of Northfield, New Hampshire at December 31, 1982, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole and on the combining and individual fund financial statements. The accompanying financial information listed as supplemental schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the combined financial statements of the Town of Northfield, New Hampshire. The information has been subjected to the auditing procedures applied in the examination of the combined, combining and individual fund financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

We have examined the combined financial statements and the combining and individual fund financial statements of the Town of Northfield for the year ended December 31, 1982, and have issued our report thereon dated March 11, 1983. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In connection with our examination we also (1) performed tests of compliance with the Revenue Sharing Act and regulations as detailed in the *Commentary on the Audit Requirements of the 1980 Amendments to the State and Local Fiscal Assistance Act* issued by the Office of Revenue Sharing, U.S. Department of the Treasury, and (2) compared the data on the appropriate Bureau of Census Form RS-8 with the audited records of the Town of Northfield.

In our opinion, for the items tested, the Town of Northfield complied with the aforementioned provisions of the Revenue Sharing Act and regulations. Further, based on our examination and the procedures referred to above, nothing came to our attention to indicate that the Town of Northfield had not complied with the aforementioned provisions of the Revenue Sharing Act and regulations.

NORTHFIELD PLANNING BOARD
Northfield, NH

The Northfield Planning Board meets the third Monday of every month at 7:30 p.m. in the town hall. The board consists of seven regular members, including the chairman, secretary and selectman representative, plus two alternate members.

In February, Priscilla Beaulieu resigned as secretary and Mark Greenburg was appointed to fill her term. In March, James Lamanuzzi resigned as chairman. Jeanne Mazur was elected chairman for the following year.

In 1983 thirty-five lots were subdivided, representing an income to the General Fund of \$882.00.

The board worked closely with the Lakes Region Planning Commission to revise the subdivision regulations to be in compliance with state RSAs. On May 25, 1983, a public hearing was held and the revised regulations were adopted.

Again, in accordance with state RSAs, the board reviewed the current zoning ordinance with L.R.P.C. representative Roger Ackley and ten amendments were recommended. The first public hearing was held December 14, 1983, the second January 30, 1984. These changes will be on the March ballot.

In September, the Lakes Region Planning Commission held a series of four lectures concerning the new Recodification of the RSAs governing the planning board and all other land use boards, effective January, 1984. All Lectures were attended by at least two members of the Northfield Board.

The 1982 Master Plan is completed and will serve as a guide in continuing the orderly management of the town growth. Copies of the Master Plan are available at town offices.

Respectfully submitted,
Jeanne C. Mazur

TILTON-NORTHFIELD RECREATIONAL COUNCIL

Annual Report 1983

It is the purpose of the TN Recreation Department to offer leisure activities to the residents of Tilton and Northfield. Programs are offered on a seasonal basis with program notices going out to the schools and newspapers during the months of September, December, March and May. Anyone who does not receive notice of the upcoming programs is asked to call the center at 286-8653 or stop in.

During the past year, program participation has been very high with many programs filled to capacity. It is our goal to offer as many different programs as possible to the residents. The council works together to develop new and different programs, and we welcome the help and suggestions of new programs from the community. Anyone wishing to offer or participate in any which we do not offer is encouraged to come in and discuss the possibility of the program or attend one of our council meetings which meet on the third Thursday of the month at 8:00 p.m.

The programs we have offered during the past year are: aerobic dance, aerobic exercise, youth basketball, teen basketball, family ice skating, skating lessons, Ice Capades trip, cheerleading, gymnastics, open halls, pre-school classes, ski lessons, tae kwon do, tap and ballet, outdoor games, golf, swim-n-gym, crafts, playground and swim lessons, trips, after-school specials, baton lessons, senior citizen exercises, soccer and vacation and holiday specials.

We would like to thank the people of Tilton and Northfield for supporting our recreation department and the private agencies of: B.K. & Sons Upholstery, Northfield Glass, Warehouse Furniture, Cotsibas and Ackerman Insurance, Sanbornton Bridge Soccer Club, Mazur's Hardware, McDonald's, The Dairy Queen, and Webster Valve for donations they have made over the past year towards our programs.

Again, it is our purpose to offer programs to your community; please let us know if there is something you would like to see.

HALL MEMORIAL LIBRARY
Public Library For Tilton and Northfield
1983 Annual Report

Among displays at the Hall Memorial Library in 1983, the historic Northfield and Tilton scenes on treasured old picture postcards were loaned by Gordon Hill and attracted much interest. In May, the librarian told stories to two groups of children and parents at the Young Readers Conference at WRMS. For the younger group, stories by Emberley and Zemach were told with pictures shown on the opaque projector, while the older group heard various stories about The Great Stone Face. Story Hours were held in six week sessions, once a week, at the library. Songs and games were included with picture book stories. Free films also regularly provided a half hour of fun for youngsters (on Wednesdays) and provided reading stimulus as most N.H. State Library's children's films are based on outstanding children's books. Colorful travel films and documentaries were shared with adult groups upon request. On June 14 the Summer Reading Program drew thirty-eight participants eager to read and report on books. Winners of the Race to Read were announced August 24 at the annual Ice Cream Party. Meredith Banks, Rhonda Towne, Denise Beane, Beth McCarthy, Katie Hall and Jane Clow were outstanding in several categories, but *all* participants were winners in that they enjoyed reading and improved their skills in comprehension, speed and reporting.

The Friends of the Library put on the Annual Book Sale June 22 to Old Home Day, June 25, from a Main St. storefront in Tilton to a booth at Northfield Pines. Camille Tolme, President, reported an intake of \$360 from the sale of donated and discarded books, to be used for the library. A new program offering wooden puzzles, educational toys and beginner books was initiated with this money and has proved popular for parents borrowing the items on a 1 week loan at the library to use with youngsters, thus promoting reading readiness along with a good time of sharing.

Memorial books and donations were received by the library with appreciation, in memory of William M. Lawrence and of Mary Ellen Osgood. The latter was a devoted librarian of Hall Memorial Library for thirty-eight years and left two or three hundred books and records, as well as a monetary bequest, to the library. The Tilton-Northfield Garden Club gave shrubs to the library, one in memorial to Mrs. Channing Sanborn and one to commemorate the club's Centennial Year. A beautiful Christmas wreath was also donated and Ruth Gorrell and the Tolme family provided a lovely Christmas tree for the library.

A word of explanation is due in regard to a drop in the circulation of children's books this past fall. Since the Union Sanborn School now happily has a school librarian four days a week, the weekly class visits to the public library

have declined from eleven classes per week a year or two ago to three to five classes per week as of October, 1983. However, children still need both school libraries and a good public library to round out their reading experiences. We hope that parents of school children will help to introduce them to their public library and assist them in forming habits of borrowing and returning books regularly, learning to find books and materials on their own, and seeking the librarian's aid where needed. Likewise, the library staff constantly endeavors to improve the collection and services of the library, welcomes the participation of all citizens and suggestions as to programs for furthering public library usage.

YOUTH ASSISTANCE PROGRAM 1983 ANNUAL REPORT

1983 was a successful year for the Youth Assistance Program. Our thanks to all those in the agencies with which we work, including the police departments, the schools, the Tilton-Northfield Recreation Department, the Twin Rivers Family Crisis Network, and the state Office of Alcohol and Drug Abuse Prevention. Heartfelt thanks also to all our volunteers, without whom our work would be impossible.

Since YAP began in 1975, we have served 587 youths from Northfield. Tilton has accounted for 636, and we have served 254 from Sanbornton. In 1983, we served 91 from Northfield, 50 from Tilton, and 10 from Sanbornton.

We had 27 court diversion cases in 1983: 14 from Northfield, 11 from Tilton, and two from Sanbornton. We have had a steady decrease in court diversion cases since 1979, when there were 92, showing that this, combined with our other programs and activities, has had a positive effect on our primary goal, that of preventing juvenile problems and delinquency.

We continue to provide counseling to all youths from Northfield, Sanbornton, and Tilton. YAP also provides meaningful programs and workshops, often in cooperation with the Tilton-Northfield Recreation Department. The People Program provides matches between volunteer adults and children. We give our particular thanks this year to volunteer Carol Smart of Sanbornton.

Your director is chairperson of the Twin Rivers Family Crisis Network, which this past year created a host-home system, in which juveniles in family crises can stay in a volunteer host home for up to ten days while the problems are being worked out. The host families are well-screened and trained.

The YAP staff coordinated the "Chemical People" television viewing and discussions, and as a result a task force to work on juvenile drug abuse has been formed. If you're interested in joining the task force, please let us know.

We also ran the games at Old Home Day and had large turnouts for Halloween and Christmas parties. Our Friday night movies, co-sponsored with the Recreation Department, are proving popular.

Beverly Sprague of Tilton, a student at the Technical Institute in Concord, is performing her practicum with us this year and has been very helpful. Jean Moreau continues to be an enormous asset in her capacity of Administrative Assistant/Program Coordinator.

Members of the Board: Cindy Kurahara, chairperson; George Vaillancourt, vice-chairperson; Vincent Smith, secretary; Elizabeth Davis, treasurer; Charles Chandler, Rose Ciarpella, Mariann Clark, Tom Fulweiler, Paul Leary, John Maurath, Louis Nielsen, and Richard Smart.

FIRE DEPARTMENT REPORT

Tilton-Northfield Fire Department
Tilton, New Hampshire 03276
January 31, 1984

To The Citizens of the Tilton-Northfield Fire District:

First, let me express my thanks to the dedicated officers and men of the Fire Department, and to the officers, men and women of the Rescue Squad. This Department responded to 165 fire calls and to 179 rescues* in the past year, (the third busiest department in the Mutual Aid System), and these forty-seven people gave many man-hours more to training. I congratulate your professionalism.

A special thanks to Dick Pucci and the members of the Building Committee for the untold hours spent in an unsuccessful attempt to house our Department in adequate quarters.

To the citizens of the Twin Rivers area, a very special thank you for your assistance with our Ladder Truck Fund. Your efforts have resulted in a \$60,000 essential piece of equipment with no cost to the taxpayers. Also, to the men of the Department, a hearty "well done" for completing an off-road forest fire truck valued at over \$4000 that cost the district \$500, plus the gift of the land adjacent to the fire district land in Northfield, given by the men, as a possible training area and buffer zone for a future fire station.

Our Department is fortunate to have such support and the community can be proud of the accomplishments of this group of dedicated citizens.

Sincerely,
Harold Harbour
Chief

Rodney Page
Deputy Chief

Michael Robinson
Deputy Chief

*And 61 vehicle accidents, making a total of 405 calls.

**TILTON-NORTHFIELD FIRE DISTRICT
Report of Audit**

I have examined the Treasurer's journal, schedule of detailed expenses, annual financial report; also the check register, cancelled checks, bank statements, savings accounts, invoices, payroll records and other pertinent records. My examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such auditing procedures as I considered necessary in the circumstances.

In my opinion the accounting records and statements present the financial operations of the Tilton-Northfield Fire District for the calendar year 1983 in a true and accurate manner.

Auditor
